The dance given by Fred Erfert at Planks Hall Saturday evening was a very fine affair. Good music and a nice attendance and but for the fact of a late arrival from Sheldon would have ended nicely. Any young man that will use vile language in the presence of ladies should be restrained from entering into the society of respected people. We hope it will not occur again.

We had a gala day Sunday. A baseball game between George and Floyd—the latter winning the game by a score of five to three. A good deal of praise is due George Sauer who conceived the games and brought them to a successful issue. He worked hard and was well requited for his efforts. It was a quite and orderly assemblage.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or the Kidneys. Troubles of the stomach, Heart or Kidneys, are merely symptoms of deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves". Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by McWilliams Bros.
